

# Assil Ksiksi

United Arab Emirates University  
Al Ain, UAE

Phone: +971503352480

Email: [assilksiksi@gmail.com](mailto:assilksiksi@gmail.com)

Homepage: <http://assil.me>

Github: <http://github.com/aksiksi>

Born: December 19, 1993—Las Cruces, USA

Nationality: Tunisian/American/Australian

## Education

**BSc in Electrical Engineering, UAE University (2011-)**

**GPA:** 3.86

**Senior project:** Location-Based Traffic Information System

**Selected courses:** Microelectronics, Control Systems, Computer Architecture, Signals and Systems

## Internships

2014      Drilling & Measurements, Schlumberger, Abu Dhabi (4 months)

## Awards & Honors

2015      Participated in IEEE UAE robotics competition  
2014, 2015      5th place in Gulf Programming Competition  
2012-2015      First place in UAEU Programming Competition

## Research and Publications

2014      Intelligent Traffic Alert System

## Projects

**Jadawil:** course scheduler for UAEU students <http://jadawil.herokuapp.com>

**STracker:** maintenance task manager built for Schlumberger

**dubizzle:** scraping-based API for Dubizzle, written in Python

**Impact:** Scala app that find impact factors of journals

## *Hobbies*

*Running*

*Programming*

*Reading, mainly science fiction*

## *Programming Languages*

*Python, Java, C/C++, Scala, JavaScript, MATLAB, Go*
